DESCRIPTION OF MODIFICATION

1. The following clause is hereby added to this contract:

H.25 ENVIRONMENTALLY PREFERABLE PRACTICES (EPA-H-23-101)

The contractor shall, to the greatest extent practicable, utilize environmentally preferable practices in its course of business. "Environmentally preferable" is defined as products or services that have a lesser or reduced effect on human health and the environment when compared with competing products or services that serve the same purpose. This comparison may consider raw materials acquisition, production, manufacturing, packaging, distribution, reuse, operation, maintenance, or disposal of the product or service. Consideration of environmentally preferable practices must be consistent with price, performance, availability, and safety conditions.

2. The following clause is hereby added to this contract:

H.26 UTILIZATION OF FEDCONNECT FOR CONTRACT ADMINISTRATION (EPA-H-42-102)

EPA will utilize the FedConnect® web portal in administering this contract. The contractor must be registered in FedConnect® and have access to the FedConnect website located at <https://www.fedconnect.net/Fedconnect/>. For assistance in registering or for other FedConnect® technical questions please call the FedConnect® Help Desk at (800) 899-6665 or email at support@fedconnect.net.

3. The following clause is hereby added to this contract:

H.27 TEMPORARY CLOSURE OF EPA FACILITIES (EPA-H-42-103) TAILORED

(a)(1) The Environmental Protection Agency observes the following days as federal holidays. The term "Federal holidays" as used in this clause shall mean only the following enumerated days and any other days hereafter declared National holidays by the President of the United States. Holidays falling on a Sunday will be observed on the following Monday. Holidays falling on a Saturday will be observed on the preceding Friday.

January 1 - New Year's Day

January - Third Monday - Martin Luther King Day

February - Third Monday - Washington's Birthday

May - Last Monday - Memorial Day

July 4 - Independence Day

September - First Monday - Labor Day

October - Second Monday - Columbus Day

November 11 - Veterans Day

November - Fourth Thursday - Thanksgiving Day

December 25 - Christmas Day

(2) Holiday observances of such days by Government personnel shall not be cause for additional period of performance or entitlement to compensation except as set forth in the contract. If the Contractor's personnel work on a holiday, no form of holiday or other premium compensation will be reimbursed either as a direct or indirect cost, unless authorized pursuant to an overtime clause elsewhere in the contract.

- (b)(1) EPA may close an EPA facility for all or a portion of a business day as a result of:
- (i) Granting administrative leave to non-essential EPA employees (e.g., unanticipated holiday);
 - (ii) Inclement weather;
 - (iii) Failure of Congress to appropriate operational funds;
 - (iv) Any other day designated by Federal law, Executive Order or Presidential Proclamation; or
 - (v) Other reason as determined by the EPA (e.g., designated furlough day for federal workers).
- (2) In such cases, Contractor personnel not identified in the contract or task order as excepted (e.g., not performing mission-critical round-the-clock services/tasks) who are not already on duty at the facility shall not report to the facility. Such Contractor personnel already present shall be dismissed and shall leave the facility.
- (3) The Contractor agrees to continue to provide sufficient personnel to perform round-the-clock requirements of mission-critical services/tasks already in operation or scheduled for performance during the period in which EPA employees are dismissed, and shall be guided by any specific instructions of the Contracting Officer's Representative (COR). In formulating instructions the COR may consider recommendations from regional/local EPA facilities management/operations staff.
- (4) At facilities where EPA shares space and the facility may not close when there is a dismissal of EPA personnel, the Contractor shall seek confirmation from the COR to determine whether or not Contractor personnel should report to the facility. In determining whether or not it is acceptable for Contractor personnel to work at the facility, the COR may consider recommendations from regional/local EPA facilities management/operations staff.
- (c) When Contractor personnel services are not required or provided due to closure of an EPA facility as described in paragraph (b), the contract price will be adjusted as follows:
- (1) For fixed-price contracts, deductions in the Contractor's price will be computed as appropriate for the particular firm fixed price contract in question, e.g.,
 - (i) The deduction rate in dollars per day will be equal to the per-month contract price divided by 21 days per month. (In this example, the 21-days-per-month figure was calculated as follows: $365 \text{ calendar days/year} - 10 \text{ Federal holidays} - 104 \text{ Saturdays/Sundays} = 251 \text{ days}/12 \text{ months} = 20.92 \text{ days/month}$, rounded up to 21 days/month)
 - (ii) The deduction rate in dollars per day will be multiplied by the number of days services are not required or provided. If services are provided for portions of days, appropriate adjustment will be made by the Contracting Officer to ensure that the Contractor is compensated for services provided.
 - (2) For cost-reimbursement, time-and-materials and labor-hour type contracts, EPA shall not reimburse, as direct costs, salaries or wages of Contractor personnel for the period during which such personnel are dismissed from, or do not have access to, the facility.
- (d) The Contractor shall place identical requirements, including this paragraph, in all subcontracts that require performance of work on-site unless otherwise instructed by the Contracting Officer.

4. Paragraph (e) of the clause F.4 Monthly Progress Report (EPAAR 1552.211-72) (Jun 1996) Deviation Tailored is revised as follows:

(4) **For each contract year** ~~For the current reporting period and total contract period of performance,~~ provide **an estimate** of the average hourly rate by contract-level PWS task area and in total.

4. Paragraph (f) of the clause F.4 Monthly Progress Report (EPAAR 1552.211-72) (Jun 1996) Deviation Tailored is revised as follows:

(7) *Labor hours.*

(i) For the current reporting period, provide a list of employees, their labor categories, their company (i.e. prime or subcontractor), and the numbers of hours worked.

(ii) For the next reporting period, provide the estimated direct labor hours and costs to be expended.

(iii) For the remainder of the task order period of performance (not including option periods), provide the estimated direct labor hours and costs required to complete the task order.

~~— (iv) *Average Labor Hours per Analysis Type.* Provide the average labor hours per analysis for each type of analysis (e.g. air, soil, water, etc.) completed during the reporting period.~~

~~— (v) *Average Labor Cost per Analysis Type.* Provide the average labor cost per analysis for each type of analysis (e.g. air, soil, water, etc.) completed during the reporting period.~~

DESCRIPTION OF MODIFICATION

1. The following Section I clause is hereby incorporated into the contract:

I.1 SERVICE CONTRACT REPORTING REQUIREMENTS FOR INDEFINITE-DELIVERY CONTRACTS (FAR 52.204-15) (JAN 2104)

(a) Definitions.

“First-tier subcontract” means a subcontract awarded directly by the Contractor for the purpose of acquiring supplies or services (including construction) for performance of a prime contract. It does not include the Contractor’s supplier agreements with vendors, such as long-term arrangements for materials or supplies that benefit multiple contracts and/or the costs of which are normally applied to a Contractor’s general and administrative expenses or indirect costs.

(b) The Contractor shall report, in accordance with paragraphs (c) and (d) of this clause, annually by October 31, for services performed during the preceding Government fiscal year (October 1-September 30) under this contract for orders that exceed the thresholds established in 4.1703(a)(2).

(c) The Contractor shall report the following information:

(1) Contract number and order number.

(2) The total dollar amount invoiced for services performed during the previous Government fiscal year under the order.

(3) The number of Contractor direct labor hours expended on the services performed during the previous Government fiscal year.

(4) Data reported by subcontractors under paragraph (f) of this clause.

(d) The information required in paragraph (c) of this clause shall be submitted via the internet at www.sam.gov. (See SAM User Guide). If the Contractor fails to submit the report in a timely manner, the Contracting Officer will exercise appropriate contractual remedies. In addition, the Contracting Officer will make the Contractor’s failure to comply with the reporting requirements a part of the Contractor’s performance information under FAR Subpart 42.15.

(e) Agencies will review Contractor reported information for reasonableness and consistency with available contract information. In the event the agency believes that revisions to the Contractor reported information are warranted, the agency will notify the Contractor no later than November 15. By November 30, the Contractor shall revise the report, or document its rationale for the agency.

(f)(1) The Contractor shall require each first-tier subcontractor providing services under this contract, with subcontract(s) each valued at or above the thresholds set forth in 4.1703(a)(2), to provide the following detailed information to the Contractor in sufficient time to submit the report:

(i) Subcontract number (including subcontractor name and DUNS number), and

(ii) The number of first-tier subcontractor direct-labor hours expended on the services performed during the previous Government fiscal year.

(2) The Contractor shall advise the subcontractor that the information will be made available to the public as required by section 743 of Division C of the Consolidated Appropriations Act, 2010.

	Minimum Guarantee: \$0.00				

- 1) Section H-4, Award term Incentive Plan (EPAAR 1552.216-78) is hereby modified as follows (changes in **bold** text):

- (a) The Award Term Incentive Plan provides for the evaluation of performance, and, together with Agency need and availability of funding, serves as the basis for award term decisions. The Award Term Incentive Plan may be unilaterally revised by the Government. Any changes to the Award Term Incentive Plan will be made in writing and incorporated into the contract through a unilateral modification citing this clause. The Government will consult with the contractor prior to the issuance of a revised Award Term Incentive Plan, but is not required to obtain the contractor's consent to the revisions.
- (b) *Award Term Evaluation.* The award term evaluation and decision will be made by the Government following the **contract Base Period of Performance**. The Contractor's average past performance score during **the contract Base Period of Performance** as entered into the Contractor Performance Assessment Reporting System (CPARS) will be the basis for award term evaluations. At the conclusion of **the contract Base Period of Performance** an average past performance score shall be determined by using the ratings entered into CPARS for **the contract during each reporting period**. CPARS requires the Government to evaluate each contractor on the following **six** criteria: **Quality, Schedule, Cost Control, Management, Small Business Subcontracting, and Regulatory Compliance**. CPARS uses an adjectival rating system for the Government to assign past performance ratings to these criteria; for purposes of this award term incentive plan, those adjectives will be converted to numerical scores to be used in calculating the award term incentive as follows:

CPARS Adjectival Rating	Numerical Score
Exceptional	4
Very Good	3
Satisfactory	2
Marginal	1
Unsatisfactory	0

- (c) *Acceptable Quality Level.* To reach the Acceptable Quality Level (AQL) to earn the award term incentive, the Contractor must achieve an average past performance score of no less than 3.0 (Very Good) for **the contract Base Period of Performance**. The average past performance score shall be obtained by adding the scores given to all past performance criteria for the **contract for all reporting periods during the Base Period of Performance** and dividing that sum by the number of criteria (**6**) by the number of reporting periods.

Example Table: *Base with three (3) reporting periods.*

CPARS Performance Criteria	Contract Level		
	Reporting Period 1	Reporting Period 2	Reporting Period 3
Quality	3	4	4
Schedule	2	4	4
Cost Control	3	4	3
Management	3	3	4
Utilization of Small Business	5	3	5
Regulatory Compliance	4	4	3
Total Score for Each Year	20	22	23
Total Score	65		
÷ Number of Criteria	÷ 6		
÷ Number of Reporting Periods	÷ 3		
AVERAGE PAST PERFORMANCE SCORE	3.6		

- (d) If the average past performance score as determined under paragraph (c) meets or exceeds the AQL, the contractor shall be eligible for the award term period contained in this contract.
